

Earlscliffe

Summer & Easter
2016

Situated in the south east of England, Earlscliffe is ideally located for both access to London and to a variety of local attractions.

Earlscliffe is a specialist provider of residential English language and academic preparation programmes for international boys and girls. Earlscliffe is based in the coastal town of Folkestone in the county of Kent, 'The Garden of England', close to London and its airports.

Since 2002, Earlscliffe has been running courses for young people from all over the world to come together to learn English in England and gain a better understanding of each other's cultures. We offer a choice of stimulating courses for teenagers from early July until mid-August plus our traditional Easter course for 8–17 year olds in late March.

As parents ourselves, we are committed to offering a more personalised service – from the first point of contact to the farewell disco. We do not rent space in other schools or operate a chain of summer centres: we focus on delivering high-quality programmes in one school – our own – where we have full control of all aspects of the course. We are delighted that both students and staff return to us year after year to be part of this Earlscliffe family environment. We look forward to welcoming your children to Earlscliffe.

The trips

An Earlscliffe highlight is our weekly trip to London (Capital Wednesday™) when over the course of the summer we visit many of the following famous London landmarks: the Tate Modern; London Dungeon; the London Eye; the Science Museum; St Paul's Cathedral; the British Museum and Buckingham Palace. On Capital Wednesdays™ we use the high speed train link from nearby Folkestone Central station which has a journey time of 55 minutes.

Our Mini-MBA™ students also visit the Bank of England Museum and The Shard, Europe's tallest building. Uni-Prep students will also visit universities in London, Oxford and Cambridge.

On Sundays we may visit the world-famous cathedral city of Canterbury and take a river boat tour; Leeds Castle and Bluewater shopping centre; Hever Castle and Royal Tunbridge Wells; Thorpe Park theme park and the nearby Dover Castle. Students will be given some free time in small groups i.e. Folkestone, Ashford, Covent Garden.

We also run weekly evening and afternoon trips: bowling, cinema and to Ashford's designer outlet village.

Our activities

Students play volleyball, basketball, badminton, billiards and table tennis on-site. Our supervised afternoon and evening activities include karaoke nights; football; softball; a 'Summer of Talent' show; swimming; themed disco nights; tennis; rounders; 'jeux sans frontières' and quiz nights to name but a few. Regular beach walks are a popular part of the week's activities.

These sports and activities are offered from mid-afternoon, after the day's lessons have finished.

We are fortunate to be close to both Folkestone's town centre and its shops, the artistic Creative Quarter, the beach and seafront, all of which offer our students moments of discovery and relaxation.

The rooms and meals

Most rooms are spacious twin or triple rooms with en-suite WC and shower. All rooms are Wi-Fi connected. The high standard of accommodation is attractive to today's students, and all the more so given the beautiful Victorian façade of the buildings in which it sits.

Meals are taken in the college dining room and prepared by our own chef and team. Meals are varied and often international, such as Chinese, Mexican or Indian, but not forgetting the occasional British fish and chips! Formal dinners every two weeks (including one traditional English Christmas meal) give our students a chance to dress up and enjoy a three course meal by candlelight. Any special dietary needs can be catered for, i.e. vegetarian, non-dairy etc. Students are given packed meals on day trips.

English Enrichment

Ages 13–17 years

23 hours per week
Minimum English level: B1+

This course is motivational, stimulating and unique. Maximum class size: 12
Method: project-based work

Themes:

Weekly UNESCO debate: pollution; climate change; education; clean water; women's rights.

Weekly topical debate: hunting; animal testing; euthanasia; capital punishment.

'In the News' forum: discuss the media stories of the day.

Advanced reading comprehension: discussion of a topical article from 'The Times', 'The Economist' and other popular news publications.

Extended Writing: instruction on academic essay writing, both creative and reflective.

Critical thinking: if you wish to achieve higher academic grades, being able to take an informed and analytical approach to your studies is very important. Simply memorising and explaining concepts and ideas does not show real understanding and application. You need to be able to demonstrate knowledge of your subject and give your opinion(s) supported by evidence that you have judged to be appropriate.

Project time: make a film, a news clip or a radio show as a group and present it to the whole school.

Trips: students learn about the various cultural destinations they will visit, and write a trip review of a town or site visited.

Extra Intensive English

Students at Earlscliffe may take advantage of our extra learning options – 4 hours per week or One-to-One – see Booking Form.

Folkestone

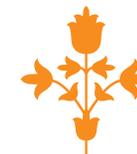

Earlscliffe is based in the resurgent seaside town of Folkestone in the county of Kent. Folkestone has a population of about 45,000 and is connected to London by a regular high-speed train (55 mins direct) service.

Earlscliffe is within a few minutes' walk of the elegant Leas promenade, virtually no different today from Victorian times. Folkestone's town centre offers all the usual high street shops popular with teenagers, from Primark to Starbucks, as well as banks and pharmacists. Folkestone's 'Creative Quarter' offers a variety of galleries, cafés, restaurants and antique sellers for our more inquisitive and

curious students. Folkestone's 'Triennial' has put the town firmly on the international art and sculpture calendar. Mark Sargeant's 'Rocksalt' restaurant positioned on the old harbour, has won many accolades in recent years. In 2014 HRH Prince Harry opened the Arch of Remembrance on the promenade to commemorate the town's role in the Great War of 1914-18.
